Celebrating 15 Years

2015

In the last 15 years, I struggle to imagine anyone in the Cedar Rapids market has sold more residential real estate than Cathy Hill. As impressive as that is, it is not how much she does, but rather the way she does it. Most know her as a successful Realtor, but I know she is so much more, she is an amazing person. It has been incredible to watch her grow her business over the past 15 years and I can't wait to see what the next 15 have in store!

Congratulations, Cathy!
